

UTAH'S EMERGENCY MANAGEMENT CONFERENCE

Utah's Emergency Management Conference

(previously known as the City, County, Director's Conference - CCDC)

Zermatt Resort, Midway, UT - October 16-17, 2018

DRAFT Agenda

Tuesday, October 16, 2018

- | | | |
|----------|--|---|
| 11:30 am | <i>Registration</i> | Matterhorn Ballroom Foyer |
| 1:00 pm | <u>Welcome & Announcements</u> | Kris Hamlet, DEM Director
Utah Highway Patrol Honor Guard
Sheriff Todd Bonner, Wasatch County |
| 1:30 pm | <u>"Shots Fired" - Red Butte Canyon Homicide</u> | Stuart Moffat, U of U Public Safety |
- On October 30, 2017, Chen Wei Guo, an international student at the University of Utah studying Computer Science, was shot and killed while sitting in his car at Red Butte Canyon Road. With law enforcement from many nearby agencies responding to "shots fired", the University's Emergency Response Plan was activated. This presentation provides a timeline of the incident and demonstrates how planning enabled a timely and effective response.

|---------|--------------|--|
| 2:30 pm | <i>Break</i> | |
|---------|--------------|--|
-

2:45 pm **Ready or not... Here it comes!** Joe Dougherty, DEM PIO

Something big or something bad is about to happen. Let's get ready to talk about it. Over the next 30 minutes, we'll run through the checklist of communication tools, teams, principles and systems that will help you save lives and your reputation when it counts.

3:15 pm **Combat Leadership** Mitch Utterback, Retired US Army & Wildland Firefighter

4:30 pm *Adjourn*

Wednesday, October 17, 2018

7:00 am *Registration and Breakfast* Matterhorn Ballroom Foyer

8:00 am **Welcome & Awards** Kris Hamlet, DEM Director

8:30 am **Provo River Drownings - Relationships Do Pay Off** Peter Quittner, Utah County EM
Jared Hansen, Central Utah Water Conservancy

On May 29th, 2017 Utah County experienced a very unique Search and Rescue call. Ultimately, a small child, her mother, and a bystander unfortunately lost their lives as a result of the raging Provo river. This presentation will discuss lessons learned and showcase how we accomplished something never before done in Utah County due to our community relationships.

9:30 am *Break*

9:45 am **Title TBD** Trenton Marsh, DSDHH CDI Interpreter & Trainer
Clay Anderson, DSDHH Interpreter and Trainer

10:30 am	<u>"The Pitfalls of Disaster Reimbursement" -</u> Three common problems in reimbursements: 1. Procurement 2. Documentation 3. Scope of Work	Brad Bartholomew, DEM Mitigation & Recovery Janna Wilkinson-Mayo, DEM Mitigation & Recovery
11:30 am	<i>Lunch</i>	
12:30 pm	<u>Grants</u>	Jona Whitesides, DEM Bureau Chief Tanner Patterson, DEM Finance
1:15 pm	<u>Blinded by science! Communicating complex scientific and technical information during a time of crisis</u>	Chris Kramer, Argonne National Laboratory
	<p>The ability to communicate complicated scientific and technical information to the public is challenging. It is doubly challenging during a time of crisis. This presentation will look at the public's understanding of basic science, how the brain takes in information during a crisis, and how public safety leaders can more effectively communicate with the public during a CBRN incident.</p>	
2:15 pm	<i>Break</i>	
2:30 pm	<u>Operation Pirate</u>	Kyle Ekker, Emery County Emergency Manager
3:30	<i>Adjourn</i>
